

# NAALT 2011 Conference Milwaukee, WI, September 22 - 24, 2011

*Low Level Laser Therapy Conference*

## The 11th Annual Conference of the North American Association for Laser Therapy Sheraton Milwaukee Brookfield Hotel, Milwaukee, WI September 22 - 24, 2011

For the last 11 years, NAALT has provided delegates with up-to-the-minute objective scientific information about low level laser and other forms of light therapy. The NAALT program committee chooses papers and speakers from across the world based on scientific merit and clinical relevance. This year's conference includes presentations from leading authorities on the photochemical mechanisms of action, clinical trials, safety, contraindications and basic physics. Sessions on treatment techniques, FDA regulations and requirements will also be available for clinicians. There will also be a trade exhibition displaying the latest technology and related services. Attire for the entire conference is business/smart casual.

### SCHEDULE: (subject to change)

|                       |   |   |          |
|-----------------------|---|---|----------|
| <b>Preconference:</b> | Sep 22nd  | Thursday  | 12pm-6pm |
| 12 - 3:45pm:          | James Carroll AMInstP, FRSM                       | <i>Introduction to Laser Therapy</i>                      |          |
| 3:45 - 4pm:           | <i>Break</i>                                      |   |          |
| 4pm - 6pm:            | <b>Concurrent Preconference Sessions</b>          |   |          |
| ◇                     | Medical applications -                            | Brian Bennet MD, Terrence Baker MD                        |          |
| ◇                     | Veterinarian applications -                       | Richard Godine DVM, Narda Robinson DVM, Ron Hirshberg DVM |          |
| ◇                     | Acupuncturists (PTs) applications -               | Steve Liu , (Laasko, Bjordal)                             |          |
| ◇                     | Dental applications -                             | Gerry Ross DDS  |          |
| 6:30pm:               | <b>Presidents Reception and Exhibitor Welcome</b> |   |          |

|                          |   |   |            |
|--------------------------|---|---|------------|
| <b>Conference Day 1:</b> | Sep 23rd  | Friday  | 9am-2:45pm |
| 9 - 10am:                | <b>Keynote Address:</b><br>Chukuka Enwemeka PhD FACSM Dean-College of Health Sciences, UW-Milwaukee, WI<br><i>Advances in Photobiomodulation of Tissue Repair</i> |   |            |
| 10 - 10:50pm:            | <b>Session 1</b>  |   |            |
| ◇                        | Nicolette Hourelid  | <i>Low Intensity Laser Irradiation at 660 Nm Increases Mitochondrial Activity</i>                 |            |
| ◇                        | Harry Whelan MD   | <i>Effects of Near-Infrared Light on the Enzyme Kinetics of Cytochrome Oxidase</i>                |            |
| 10:50 - 11:15pm:         | <i>Break</i>  |   |            |
| 11:15 - 12:30pm:         | <b>Session 2</b>  |   |            |
| ◇                        | Michael Hamblin PhD   | <i>Mechanism and Application of LLLT for Traumatic Brain Injury</i>                               |            |
| ◇                        | Shimon Rochkind MD  | <i>Phototherapy for Peripheral Nerve and Spinal Cord Injuries</i>                                 |            |
| ◇                        | Margaret Naeser PhD, LAc  | <i>Update on Transcranial LED to Improve Cognition in Chronic, Traumatic Brain Injury</i>         |            |
| 12:30 - 1:30pm:          | <b>Annual General Meeting &amp; Lunch</b>   |   |            |
| 1:30 - 2:45pm:           | <b>Session 3</b>  |   |            |
| ◇                        | Heidi Abrahamse PhD   | <i>Photodynamic Cancer Therapy- A Review of Metallophthalocyanines as Photosensitizing Agents</i> |            |
| ◇                        | Liisa Laasko  | <i>Laser phototherapy and malignant cells: What are the possibilities for cancer therapy?</i>     |            |
| ◇                        | Jan Bjordal PhD   | TBD   |            |
| 2:45 - 3:00pm:           | <i>Break</i>  |   |            |
| 3:00 - 5pm:              | <b>Session 4</b>  |   |            |
| ◇                        | Abstract Competition  |   |            |
| 6:30pm:                  | <b>Gala Dinner</b>  |   |            |

|                          |  |   |             |
|--------------------------|--|---|-------------|
| <b>Conference Day 2:</b> | Sep 24th   | Saturday  | 9am-12:45pm |
| 9 - 10am:                | <b>Keynote Address:</b><br>Roberta Chow MB BS (Hons) FRACGP FAMAC M Appl Sci (Med Acu) PhD Grad Cert Pain Management<br><i>Laser, pain and the peripheral nervous system</i> |   |             |
| 10:00-11:15am:           | <b>Session 5</b>   |   |             |
| ◇                        | Leonardo Longo MD  | <i>Laser Therapy of Traumatic Central Nervous System Injuries</i>               |             |
| ◇                        | Patricia Trimmer PhD   | <i>Light therapy, Parkinson's disease and mitochondrial dysfunction</i>         |             |
| ◇                        | Janis Eells PhD  | <i>Therapeutic Efficacy of Photobiomodulation in Retinal Injury and Disease</i> |             |
| 11:15-11:30pm:           | <i>Break</i>   |   |             |
| 11:30-12:45pm:           | <b>Session 6</b>   |   |             |
| ◇                        | Narda Robinson DO DVM MS FAAMA   | <i>Finding new frontiers for laser therapy in veterinary medicine</i>           |             |
| ◇                        | Rodrigo Martins  | TBD   |             |
| ◇                        | Rene-Jean Bensadoun  | TBD   |             |
| 12:45-1:45pm:            | <i>Lunch (Terrence Baker)</i>  |   |             |
| 1:45-3:45pm:             | <b>Session 7</b>   |   |             |
| ◇                        | Abstracts session  |   |             |
| 4:00pm:                  | Brian Bennett  | <i>Consensus &amp; Wrap up</i>  |             |
